The membership present at the October 6th regular meeting of the South Okanagan Flying Society voted unanimously to change the dues structure to:

\$50.00 - annual membership (to include partners)

This change is in consideration of the annual contribution of the Town of Oliver for \$3500.00 dollars which offsets the operating costs of the building including: CGL insurance, utilities - water & sewer, electricity and natural gas. Membership dues and fund raising contribute to building improvements, repairs and operating supplies.

Membership Dues notices to be emailed in January 2016 will reflect this change. The current Executive welcomes new members and returning members!
